### Membership Dues and Categories

- Airport/Executive \$ 125.00  
GAA Mission is to promote airports. The initial membership is offered to the Airport itself. One executive membership representing the airport, is included within this category.
- Executive \$ 200.00  
Open to additional individuals actively responsible for the management or staff functions of the airport. It is not necessary for the individual sponsored under the Airport/Executive membership to re-register as an Executive.
- Associate \$ 125.00  
Open to individuals who are otherwise not eligible for membership yet wish to be more closely identified with the industry.
- Corporate \$ 375.00  
Individual representatives of companies and corporations, either public or private, usually with a product or service of interest to members, who wish to participate in GAA activities and further their contacts with airport professionals.
- Student \$ 30.00  
Individuals actively engaged and currently enrolled in full time study of aviation related fields at an accredited college or university.

Thank you for your support. Please make check payable to Georgia Airports Association.

A portion of the dues that Georgia Airports Association receives from its members goes to a full time lobbyist for the purpose of responsible awareness of ever changing rules, regulations, and laws, and to diligently help the association work toward a consistent and steady increase of funding available, through state and federal sources, to all airports in the State of Georgia that are eligible for such funding.

Dedicated to an Airport and Aviation System that is worthy of a Great State
